THEATRE (M.F.A.)

The Master of Fine Arts in theatre is a three-year program of intensive professional training in the student's area of specialization in acting, scenic design, costume design, lighting design, theatre management or stage management.

Admission Requirements

Admission to this program is contingent upon admission to the Graduate School (http://bulletins.wayne.edu/graduate/general-information/admission/). Each area of specialization has specific requirements for application and admission, which are managed through the online application system and are also listed on the Department's website (http://theatreanddance.wayne.edu/theatre/mfa.php). Students must declare their area of specialization upon entry into the program.

Program Requirements

The Master of Fine Arts with a Major in Theatre is offered only as a Plan C master's program, requiring sixty credits in the area of specialization. All programs require a final project and a final oral examination relevant to the degree specialization. All course work must be completed in accordance with the regulations of the Graduate School (http://bulletins.wayne.edu/graduate/general-information/academic-regulations/) and the College of Fine, Performing, and Communication Arts (http://bulletins.wayne.edu/graduate/college-fine-performing-communication-arts/academic-regulations/).
