

CRIMINAL JUSTICE (M.S.)

An admissions moratorium is currently in effect for the traditional program.

Admission Requirements

Admission to this program is contingent upon admission to the Graduate School (<http://bulletins.wayne.edu/graduate/general-information/admission/>). Strong undergraduate social science preparation is recommended, and additional undergraduate course work may be specified in criminal justice or related areas where such preparation is inadequate.

In the application for graduate admission, students must indicate whether they will be completing the M.S. in Criminal Justice in

1. the traditional/hybrid program (*students in the traditional program can take online courses except for CRJ 7030*);
2. the completely online program (*students in the online program are only permitted to take online courses*).

In determining admission for the individual applicant, the Graduate Committee evaluates the student's undergraduate record (with special emphasis on upper division courses: junior/senior year), the level of difficulty of course work, as well as grade point average (GPA) in the student's major, the strength of the recommendations, and the quality of the personal statement. The minimum standard for admission as a regular Master's student is a cumulative weighted undergraduate GPA of 3.0 or better. Applicants with an undergraduate GPA between 2.75 and 2.99 may be considered for admission, but are required to take the Graduate Record Examination (GRE) and provide a written exception statement justifying why they are capable of graduate work and explaining why their undergraduate GPA is below 3.0.

Applicants to the Master of Science program in Criminal Justice must:

1. complete and submit the Graduate School's online application (<http://wayne.edu/admissions/graduate/>);
2. submit transcripts from the applicant's undergraduate school/college;
3. have two (2) letters of recommendation, at least one of which is strongly encouraged to be written by a former professor/instructor, submitted online; and
4. submit a personal statement.

Personal statements should address the applicant's qualifications, career goals, and interest in crime and justice related issues more generally. Personal statements must be no longer than two single-spaced pages. Statements must be submitted as part of the online application process.

Questions concerning the admission process should be directed to the Criminal Justice Department at 313-577-0772.

An admissions moratorium is currently in effect for this program.
