

ELEMENTARY EDUCATION (B.S.ED.)

Admission Requirements

Currently, students may be entered into one of our teacher certification programs upon admission to Wayne State University.

Degree Requirements

All students must complete the college requirements for the specific grade band concentration as outlined below. A minimum of 120 credit hours is required for the degree. Students have a choice of selecting a single band concentration (PK-3, 3-6, or Teach Detroit 3-6).

Some of the courses cited in each of the grade bands may satisfy the University General Education Requirements. (<http://bulletins.wayne.edu/undergraduate/general-information/general-education/>)

PK-3 Grade Band

Code	Title	Credits
General Education Courses		
The General Education Requirements for Quantitative Experience (MAT 1110; MAT 1120) and the Natural Scientific Inquiry (NSI) with lab (SCE 2100 and SCE 2105) are included in the PK-3 Grade Band coursework.		
Approximately 28 credit hours are needed for General Education courses not included in the PK-3 Grade Band coursework: Basic Composition, Intermediate Composition, Oral Communication, Natural Scientific Inquiry, Civic Literacy Inquiry, Social Inquiry, Cultural Inquiry, Diversity Equity & Inclusion Inquiry, and Global Learning Inquiry.		28
TED 2020	Technology Integration in Teaching	3

Teach Detroit 3-6 Grade Band

Code	Title	Credits
------	-------	---------

Admission Requirements:

Unique to this concentration is an interest and commitment for working in the Detroit Community and an interview. Approximately 12 students will be admitted annually.

General Education Courses

The General Education Requirements for Quantitative Experience (MAT 1110; MAT 1120) and the Natural Scientific Inquiry (NSI) with lab (SCE 2100 and SCE 2105) are included in the Teach Detroit 3-6 Grade Band coursework.

Approximately 28 credit hours are needed for General Education courses not included in the Teach Detroit 3-6 Grade Band coursework: Basic Composition, Intermediate Composition, Oral Communication, Natural Scientific Inquiry, Civic Literacy Inquiry, Social Inquiry, Cultural Inquiry, Diversity Equity & Inclusion Inquiry, and Global Learning Inquiry.

Required Courses (51 Credit Hours)

MAT 1110	Mathematics for Elementary School Teachers I	3
MAT 1120	Mathematics for Elementary School Teachers II	3
TED 2210	Foundations II: Intersections of Culture, Language, Identity & Schooling	2
TED 2220	Foundations III: Foundations of Inclusive Schooling	2
SCE 2100 & SCE 2105	Integrated Science Content PK-6 and Integrated Science Lab PK-6 *	4
ELE 6205	Literacy Foundations	3
ELE 6010	Equitable Partnerships with Families and Communities	3
ELE 6350	Mathematics Foundations (PK-6)	3
ELE 6215	Literacy Methods I (3-6)	3
ELE 6380	Mathematics Methods (3-6)	3
TED 6615	Elementary Education 3-6 Clinical Methods I	2
ELE 6225	Literacy Methods II (PK-6)	3
ELE 6600	Social Studies Methods (PK-6)	3
ELE 6550	Science Curriculum and Methods (PK-6)	2
TED 6750	Elementary Education Student Teaching	12
Subtotal of 79 credit hours of required coursework.		

Electives **41**

Please verify your elective courses with your advisor.

Select 41 credits to reach the required 120 credits for the degree.

Other Recommended Education Courses

EDP 3310	Educational Psychology
ELE 6200	Diverse Children's Literature for Elementary Teachers
ELE 6500	Science Curriculum and Methods (3-6)
ELE 6800	Methods for Integrated Curriculum and Pedagogy (PK-6)

TED 6660	Elementary Education Clinical Methods II	
SSE 5720	Social Studies Disciplines for Elementary Teachers I	
SSE 6720	Social Studies Disciplines for Elementary Teachers II	
TED 2200 & TED 2205	Foundations I: Foundations of Education in Urban Spaces and Foundations Field Experience	
TED 2020	Technology Integration in Teaching	
TED 5100	Professional Engagement, Advocacy, and Instructional Planning	
Total Credits		120

* Note: SCE 5100 and 5105 may be taken in place of SCE 2100 and 2105. However, SCE 5100 and 5105 do not meet the General Education Requirement for Natural Scientific Inquiry (NSI) with lab. Electing SCE 5100 and 5105 will require additional coursework to meet the NSI with lab requirement.
