

THEATRE DESIGN AND TECHNOLOGY MINOR

¹ Max 3 cr. from THR 3582 and/or THR 3583.

The design and technology minor provides students in related areas of study with the opportunity to enhance and apply their design and/or technical and craft skills in a theatrical context.

In order for any minor in the Department of Theatre & Dance to be fulfilled, it must include at least nine credits that have not been used to fulfill requirements for any other major or minor.

A maximum of nine credits in a Theatre or Dance major may share with any other major or minor.

A minor in this area requires:
