### Pre-Medicine/Pre-Dental/Pre-PA/Pre-Veterinary Advising

Students in pre-medical, pre-dental, pre-physical therapy, and pre-veterinary medicine are advised on specific curricula, co-curricular activities, preparation for admission exams and procedures for applying to the professional school.

### Pre-professional Advising

Advisors assist students in planning programs which will fulfill requirements for admission to the various professional programs offered by Wayne State University, including those of the School of Social Work, the College of Nursing, and the Eugene Applebaum College of Pharmacy and Health Sciences.

### Academic Deficiency Advising

Referrals may be made to other University services where students can find assistance for specific problems or difficulties.

### Early Academic Assessment

Academic progress for undergraduate students is assessed by faculty from the beginning of the third week to the end of the sixth week of classes. If a student's performance is assessed below the C level, the student receives an alert notification referring them to appropriate campus resources.

## Student Disability Services (SDS)

1600 David Adamany Undergraduate Library; 313-577-1851  
<https://studentdisability.wayne.edu/>

Student Disability Services is the office at Wayne State University that determines eligibility and implements academic accommodations, services and support for students with disabilities pursuant to the Americans with Disabilities Act (ADA), the ADA Amendments Act of 2008, and Section 504 of the Vocational Rehabilitation Act of 1973. SDS is committed to teaching students to advocate for themselves in order to fulfill their academic goals. SDS also provides training and outreach throughout the university to ensure equal access to all university programs.

*Disability Determination:* In order to register for SDS services, students must self-identify by providing documentation of their disability.

Students will meet with disability specialists to discuss appropriate and reasonable accommodations. Once accommodations are determined, students are guided through the process of providing faculty with their accommodation letters and securing appropriate services. Students receiving accommodations are held to the same academic standards as all other WSU students and are responsible for requesting services and following procedures in a timely manner.
